

# The Stop Arm Solution that Delivers.

## Violation to Citation.

Presented by Safety Vision

HD Stop Arm  
Camera System

“Safety Vision  
...has surpassed my  
hopes for  
stop arm  
violations support.”

**David Rhoney**

Director of Transportation  
Buncombe County Public Schools

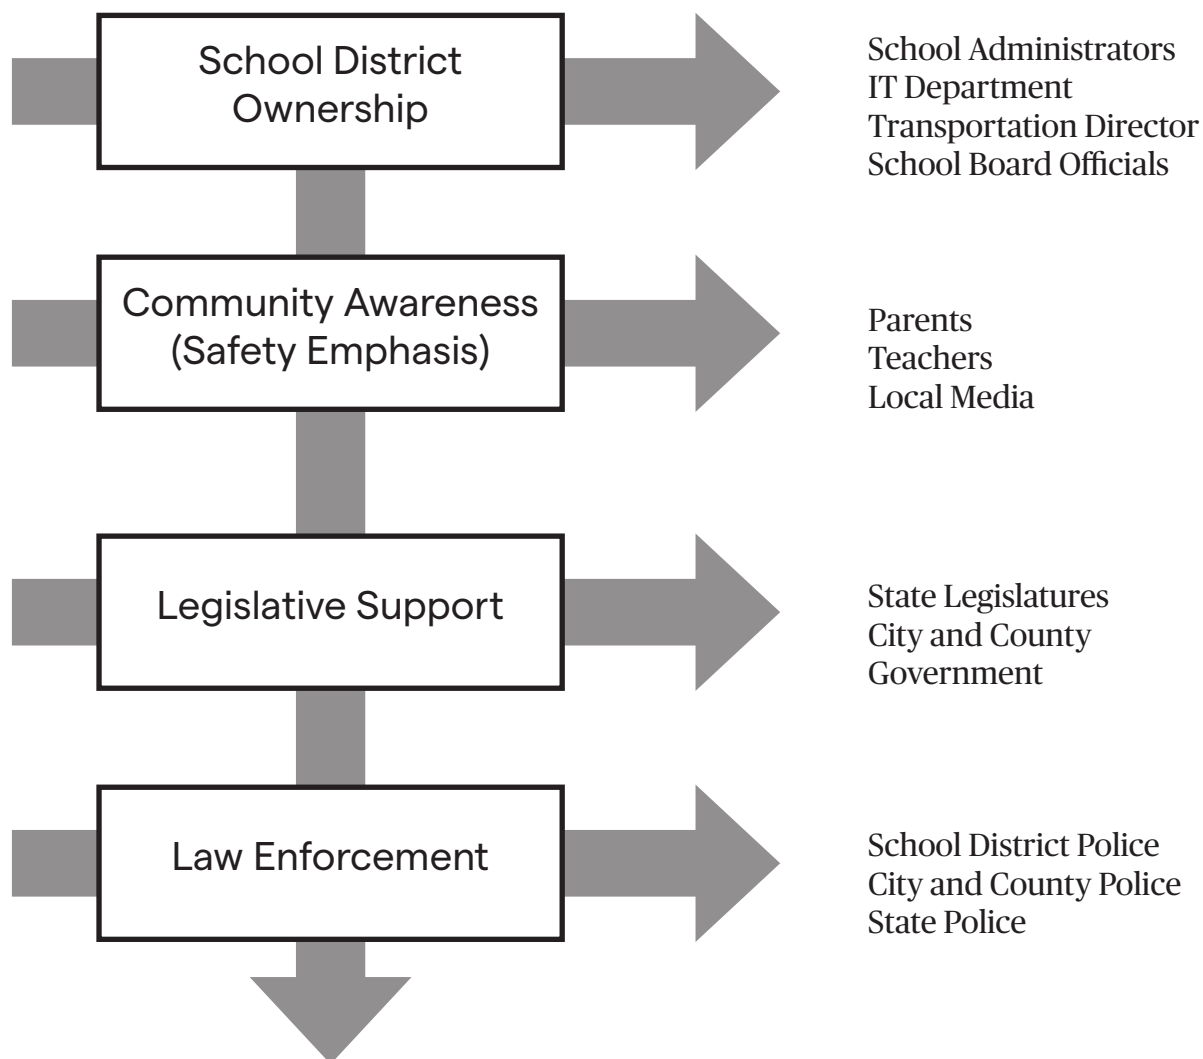

## INTEGRATED STOP ARM SYSTEM

- Discourage Illegal Passing
- Improve Student Safety
- Complete Event Processing

SAFETY VISION®

# STAKEHOLDER ENGAGEMENT - Key to Program Success

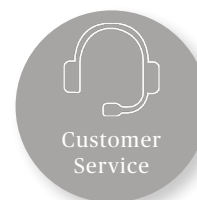

SAFETY VISION<sup>®</sup>

A TRUSTED  
STOP ARM PARTNER

The Safety Vision Stop Arm Solution provides a seamless process for violation event marking by the bus driver, image processing, verification by law enforcement, citation issuance, fine collection and funding distribution. Districts own the equipment, and can apply the full share of citation funds to support other district programs.

## WHAT'S NEXT?

Contact our Stop Arm Specialists today to discuss your specific situation and program needs.
